SINCERE CLINIC

SKIN BOOSTER

BELOTERO REVIVE

Hyaluronic acid plus glycerol for intensive dermal hydration; plumps, smooths fine lines, and imparts a healthy glow.

Starting Price 12,900 thb

Rejuran (PDRN)

Salmon-DNA polynucleotide extract that repairs skin from within, calms inflammation, boosts collagen synthesis, strengthens the barrier, enhances radiance, and refines pores.

Price 10,900 thb | First Trial 9,900 thb (2cc)

Exosome Skin Rejuvenation

Stem-cell-derived exosomes that drive cellular repair to address wrinkles, melasma, acne, and enlarged pores.

Price 9,500 thb | First Trial 6,500 thb | add on Vital injector +2,000 thb

---

Juvelook

Improves skin texture, tightens pores, and smooths fine lines, acne scars, instant hydration and long-term collagen stimulation, providing a natural lift and youthful glow

Price 8cc - 25,900 thb

RGF (Placenta)

Nutrient- and vitamin-rich formula that restores skin balance, reduces inflammation, minimizes pores, and leaves the complexion clear and resilient.

Price 10,500 thb | First Trial 8,500 thb

Filorga (France)

Deep hydration with collagen and elastin replenishment; tightens pores, softens fine lines, reduces under-eye darkness, and evens skin tone.

Price 3cc 8,000 thb | First Trial 6,000 thb

Price 1.5cc 4,000 thb | First Trial 3,000 thb

SINCERE CLINIC

Meso JA

Targets melasma, dark spots, and hyperpigmentation by inhibiting melanogenesis; delivers rapid brightening and a more even complexion.

Price 4,000 thb | First Trial 3,000 thb

Made Collagen (Homeopathy Detox)

Detoxifies cutaneous tissues, boosts immune defense, nourishes cells, and improves acne, melasma, rashes, and sensitive skin, restoring skin strength.

Price 4,000 thb | First Trial 3,000 thb

FACIAL NOURISHMENT MASK

Collagen Mask – Enhances radiance and diminishes fine lines

White Mask – Brightens complexion and reduces hyperpigmentation

Acne Mask – Mitigates acne and cutaneous inflammation

Price 2,500 thb | First Trial 1,900 thb

ENDOTA TREATMENT

(ORGANIC PRODUCTS FROM AUSTRALIA)

Intense Removal – Rejuvenates the skin and diminishes wrinkles

Organic Infusion – Provides deep hydration; suitable for sensitive skin and expectant mothers

New Age Therapy – Tightens skin for a more youthful facial appearance

Price 7,900 thb | First Trial 2,450 thb

SINCERE CLINIC

TRANSDERMAL VITAMIN INFUSION AND SKIN-RESTORATION

Meso Lex

Delivers vitamins deep into the skin using mild electrical pulses (electroporation) that create temporary micro-channels in the epidermis, allowing nutrients—such as vitamins and coenzymes—to penetrate without needles.

Price 3,000 thb | First Trial 2,100 thb

Apollo Duet EL

A dual-modality system that infuses vitamins with alternating cold/warm radiofrequency and ultrasound.

Ideal for dehydrated, dry, or sensitive skin needing rapid recovery.

Provides instant hydration, tighter pores, and reduced irritation.

Price 5,500 thb | First Trial 2,000 thb

Apollo Duet RF

Radiofrequency energy stimulates dermal collagen remodeling, suitable for lifting, reducing submental fullness, and smoothing fine lines. Continued sessions yield firmer skin and more defined facial contours.

Price 7,500 thb | First Trial 2,499 thb

Derma Cool

Skin cooling system used in aesthetic and dermatological treatments to reduce discomfort, redness, and inflammation during or after procedures. Minimize pain, redness, and swelling. Enhance comfort.

Price 6,900 thb | First Trial 2,800 thb

Corrective Therapy

Peptide- and hyaluronic-acid infusion that biomimics the effects of botulinum toxin and dermal fillers to soften deep wrinkles and tighten skin—completely needle-free.

Price 6,500 thb | First Trial 4,500 thb

SINCERE CLINIC

Cannabis Treatment

Cannabis-extract therapy designed for delicate or reactive skin; calms erythema and pruritic rashes while strengthening the barrier.

Price 4,800 thb | First Trial 3,360 thb

LED Light Therapy

Multi-wavelength phototherapy targeting specific concerns—acne, fine lines, edema, wound healing, and inflammation—while rebalancing and fortifying the skin.

Price 2,500 thb | First Trial 1,900 thb

DEEP-CLEANSING AND SKIN-RESTORATION TREATMENTS

Jetpeel

High-velocity, micro-jet hydrodermabrasion for intensive cleansing, acne reduction, and immediate skin luminosity—make-up can be applied straightaway.

Price 3,800 thb | First Trial 2,660 thb

Hydra Facial

Three-step protocol that deeply cleanses, exfoliates, and infuses hydration for refreshed, plump skin.

Price 7,000 thb | First Trial 4,900 thb

SINCERE CLINIC

VITAMIN DRIP AND VITAMIN INJECTION

Meyer Cocktail

Combined infusion of vitamins C, B6, B12, B-complex, magnesium, and calcium to revitalise the body and combat fatigue.

Price 4,000 thb | First Trial 3,000 thb

Vit C Pascorbin (from Germany)

High-potency, highly bioavailable vitamin C for antioxidant defence, immune support, collagen synthesis, and skin brightening.

Price 5,000 thb | First Trial 4,000 thb

Vitamin B5

Enhances lipid metabolism, lowers blood lipids, strengthens immunity, and accelerates wound healing.

Price 4,000 thb | First Trial 3,000 thb

Vitamin B12

Supports cognitive and neurological function, reduces fatigue, and promotes red-blood-cell formation.

Price 4,000 thb | First Trial 3,000 thb

Chelation Therapy

EDTA-based heavy-metal detoxification (lead, mercury) that may lower cardiovascular risk, improve hypertension, and alleviate allergic dermatoses and acne.

Price 4,000 thb | First Trial 3,000 thb

SINCERE CLINIC

C White

Potent antioxidant that supports hepatic function and inhibits melanogenesis for a clearer, brighter complexion.

Price 4,000 thb | First Trial 3,000 thb

Plant Cell

Plant-derived cellular extract that stimulates repair and regeneration, providing deep hydration and a luminous glow.

Price 6,000 thb | First Trial 5,000 thb

Vitamin D

Strengthens immunity and bones, reduces inflammation and stress, and improves sleep quality.

Price 5,000 thb | First Trial 4,000 thb

Bio Reju

Concentrated Japanese placental extract that stimulates collagen production, revitalises cells, boosts hydration, and leaves skin soft and supple.

Price 5,000 thb | First Trial 4,000 thb

HPA (Antioxidant)

Antioxidant infusion that helps regulate blood glucose, reduce oedema, and detoxify the liver.

Price 5,000 thb | First Trial 4,000 thb

Placenta GF (RGF for Women's Health)

Human-placental extract rich in estradiol, progesterone, growth hormone, and growth factors; intramuscular injections reduce fatigue, anxiety, depression, and menopausal symptoms within 5-6 weeks while enhancing immunity, anti-inflammatory action, antioxidant defences, and collagen synthesis for brighter skin.

Price 15,900 thb | First Trial 10,000 thb

SINCERE CLINIC

L-Carnitine

Facilitates fatty-acid oxidation, boosts energy production, and improves insulin sensitivity.

Price 4,000 thb | First Trial 3,000 thb

COLLAGEN STIMULATOR

Radiesse

Calcium-hydroxylapatite (CaHA) biostimulatory filler that promotes deep-dermal regeneration by inducing collagen, elastin, and neovascular formation. Firmer, tighter, more elastic skin with a hydrated, rosy glow and smoother texture.

Sculptra

Poly-L-lactic acid (PLLA) collagen stimulator that triggers natural collagen neogenesis. Firmer, fuller, lifted skin with reduced deep folds.

Profhilo

Hydrates deeply, stimulates collagen/elastin, and firms sagging skin.

Best for dryness, dullness, enlarged pores, wrinkles, and laxity.

Harmonyca

A hybrid dermal filler developed by Allergan that combines two powerful components:

Hyaluronic Acid (HA) and Calcium Hydroxyapatite (CaHA).

Stimulates collagen production over time, for long-lasting firmness and lift

Natural-Looking and smooth integration into facial structures

SINCERE CLINIC

SKIN REJUVENATION AND TIGHTENING

Sylfirm X PLUS

Restores skin quality, lifts laxity, softens acne scars, tightens pores, treats melasma and vascular redness, boosts collagen, and reduces wrinkles and other scars.

Morpheus8

Reduces wrinkles, scars, and large pores; lifts the face and neck; safe for every skin tone with minimal risk of post-inflammatory hyperpigmentation.

Rena face

Combines electromagnetic stimulation with radio-frequency to reach the SMAS layer, activating muscles and dermis while boosting collagen and elastin. Firmer, lifted face; sharper jawline.

Starting price 9,000 thb - area | First Trial 6,500 thb - area

---

Thermage FLX

Monopolar RF skin-tightening for the entire face, neck, and eye area.

Integrated pre-/post-cooling eases discomfort and limits heat build-up

Course Price - face + neck 300 shot → 45,000 thb / 900 shot → 89,000 thb

Price for eye area (Eye Tip) 450 shot → 32,500 thb

Enerjet

Jet Volumetric Remodeling propels energy deep to the SMAS, stimulating new collagen and strengthening dermal fibres for a tighter face, clearer contours, and smoother skin.

First trial 16,000 thb (regular price 20,000 thb)

Course Price 3 times = 48,000 thb (average 16,000 thb/time)

Course Price times = 65,000 thb (average 13,000 thb/time)

Course Price times = 88,000 thb (average 11,000 thb/time)

SINCERE CLINIC

Ulthera Prime

Focused ultrasound that targets the SMAS layer used in surgical facelifts, generating new collagen and elastin to lift face, brows, cheeks, and neck; reduces eye bags and double chin for a naturally slimmer look.

Price 150 thb / shot

Promotion price 300 shots 39,000 thb

Promotion price 400 shots 48,000 thb

Promotion price 500 shots 54,500 thb

Promotion price 600 shots 65,400 thb

Promotion price 800 shots 80,000 thb

Elōs Plus

1. Sublime Mode: Non-ablative RF with infrared light to lift sagging skin, soften wrinkles, smooth texture, and shrink pores.

Price - face 8,000 thb

Price - neck 8,000 thb

Price - face + neck 12,000 thb

2. Motif IR Mode: Fractional diode laser dots + RF for pain-free tightening, improved smoothness, and refined pores, with no downtime.

Price - face 8,000 thb

HIFU Ultraformer MPT

Micro-Macro Focused Ultrasound (MMFU) plus Micro-Pulsed Technology to lift skin and dissolve excess fat while stimulating collagen for a firmer, younger look.

Price 150 thb / shot

Promotion price 200 shots = 12,000 thb

Promotion price 600 shots = 30,000 thb

Promotion price 1,500 shots = 60,000 thb

SINCERE CLINIC

Fine Scan

Erbium-glass fractional laser that boosts collagen, smooths acne scars, tightens pores, and refines skin texture.

Price - face 7,000 thb / time

Price - area 4,000 thb

First trial 4,900 thb

Gentle YAG Laser

Tighttening Mode: Lifts and tightens the face and neck, enhancing facial contours.

Price - face 8,000 thb / First trial 5,600 thb

Price - face + neck 12,000 thb / First trial 8,400 thb

B O T O X

Xeomin (Germany Botox)

Ultra-pure German formulation with minimal accessory proteins, reducing the likelihood of antibody resistance well suited to patients who receive frequent injections or have shown diminished response to standard Botox.

Allergan (USA Botox)

Original American product, FDA-approved, and supported by more than 3,500 clinical studies.

A strong safety profile and low resistance risk.

Aestox (Korean Botox)

A high-purity Botox manufactured by the South Korean company. It's recognized for its consistent quality and minimal risk of developing resistance over time. Affordable price.

SINCERE CLINIC

BRIGHTENING LASER

Dual Yellow Laser (Australia)

Focuses on treating redness and pigmentation issues such as melasma, dark spots, and uneven skin tone.

This laser is highly precise, targeting only the problematic areas

without damaging the surrounding skin. Makeup can be applied immediately after the treatment.

Normal Mode Price 7,000 thb

HD mode Price 14,000 thb

Extra Mode Price 18,000 thb

Starting price - area 1,000 thb

CO_2 Laser

Spot ablation for skin tags, nevi, seborrheic keratoses, milia, and other focal lesions.

Visible improvement after a single session; some cases may require repeat treatment to minimise scarring.

Starting price 1,000 thb

Gentle YAG Laser

Rejuvenate Mode: Stimulates new collagen synthesis, smooths wrinkles,

and firms the skin naturally with no incisions or discomfort.

Price - face 8,000 thb | First Trial 5,600 thb

Price - neck 8,000 thb | First Trial 5,600 thb

SINCERE CLINIC

FOTONA 4D

Four-dimensional facial tightening that blends Nd:YAG and Er:YAG energies to lift, stimulate collagen, brighten skin, and soften wrinkles—with noticeable firmness after the first session.

Intraoral Tightening (Outer)

Intra-oral laser to induce deep collagen remodeling

Price 5,000 thb | First Trial 3,000 thb

Intraoral Tightening (Inner)

Intra-oral laser to help lift and tighten the corners of the mouth

Price 5,000 thb | First Trial 3,000 thb

Rejuvenation

Stimulates collagen production and improves skin tone on the surface, helping to brighten complexion

Price 5,000 thb | First Trial 3,000 thb

Skin Tightening

Bulk heating for deep tightening and fat reduction

Price 5,000 thb | First Trial 3,000 thb

Light Peel

Light peel to refine texture and tighten pores

Price 5,000 thb | First Trial 3,000 thb

SINCERE CLINIC

Fotona Liplase

Stimulates collagen production in and around the lips. Lips appear naturally fuller, plumper, and healthier.

Price 5,000 thb | First Trial 3,000 thb

Course price 5 times 20,000 thb

Course price 15 times = 52,000 thb

Course price 40 times = 88,000 thb

Fotona Snoring

Gentle Er:YAG laser pulses are applied to the soft palate and tongue base, where the heat contracts collagen fibres, tightens the surrounding tissue, and widens the airway.

Ideal for individuals with mild-to-moderate snoring

Price 8,000 thb | First Trial 5,000 thb

LASER VAGINAL REJUVENATION AND TIGHTENING (THERMIVA)

Non-surgical, needle-free radiofrequency technology that tightens the vaginal canal and external genital tissues (labia). Increased hydration and relief of vaginal dryness.

Reduction of stress urinary incontinence

Price 30,000 thb | First Trial 22,500 thb

SINCERE CLINIC

WEIGHT LOSS PROGRAM AND BODY TIGHTENING

Vela Shape III

Combination of infrared light, bipolar radiofrequency, vacuum suction, and mechanical massage to reduce adipose tissue and cellulite while firming the skin. Enhances blood flow, improves “orange-peel” texture, yields visible results, and requires no downtime.

Price 180 thb / min

First Trial 30 min only 3,000 thb

S-Shape III

Body-contouring system using ultrasound cavitation, radiofrequency, vacuum, and LED therapy. Feels like a gentle warm massage and continues to boost fat metabolism simultaneously tightening skin.

price 100 thb / shot

First Trial 200 shots only 7,000 thb - average 35 thb / shot

Body Tight DMA

Tightens body contours, reduces cellulite, and tones muscle by accelerating natural fat metabolism without harming the epidermis. Patients feel gentle warmth and rhythmic muscle contractions.

price 5,000 thb / 30 min | First Trial 2,000 thb/ 30 min

Emsculpt NEO

Dual-technology device that builds muscle and destroys fat simultaneously. HIFEM+ induces supramaximal contractions while synchronized RF heat ablates subcutaneous fat and firms skin.

price 20,000 thb / area | First Trial 8,500 thb / area

Thermage FLX Body

Monopolar RF with integrated pre-/post-cooling for deep, uniform heating over large areas—tightens lax skin, smooths cellulite, and softens wrinkles anywhere on the body.

course price 500 shot 89,000 thb

SINCERE CLINIC

CoolSculpting Elite

Non-surgical cryolipolysis that freezes fat cells, which the lymphatic system clears naturally over 1-3 months, leaving surrounding tissues unharmed.

price - Large laser head 18,900 thb | First Trial 14,900 thb

price - Medium laser head 15,900 thb | First Trial 11,900 thb

---

Meso Fat Injection

Targeted lipolysis via intradermal injection of lipolytic agents to accelerate fat breakdown and natural elimination.

price - FNC 2,500 thb / bottle - 10CC | First Trial 2,000 thb

price - Firming 2,000 thb / bottle - 5CC | First Trial 1,500 thb

---

Fotana Body

Single-step laser treatment that melts fat with thermal energy while simultaneously stimulating collagen for smoother, firmer skin—session time only 15 minutes.

price 5,000 thb / 15 min

First Trial 3,000 thb / 15 min

Ad HIFU Body

High-Intensity Focused Ultrasound (HIFU) targets subcutaneous fat, destroys adipocytes, and stimulates collagen and elastin to lift skin and reduce cellulite.

price 40 thb / shot

Morpheus Body

RF Microneedling technology that uses a 40-pin tip to deliver radiofrequency energy deep into the subdermal fat layer. The results include firmer, smoother skin, reduced cellulite, and improved appearance of stretch marks.

price 45,000 thb

SINCERE CLINIC

HAIR LOSS CONTROL

Scalp Meso Therapy

Direct intradermal injection of bioactive nutrients into hair follicles to stimulate new growth, halt shedding, enhance scalp micro-circulation, increase follicular density, and prolong the anagen phase for stronger hair.

price 5,000 thb / First Trial 3,500 thb / Course 5 times free 2 times: 25,000 thb

---

Exosome Hair

Exosome-based follicular therapy that induces cellular-level hair regeneration, with visible improvement after 1-3 sessions. Produces thicker, stronger hair without surgery or downtime.

price 9,500 thb / First Trial 6,500 thb / add on Vital Injector +2,000 thb

---

Fotona Hair Laser

Targeted laser energy that revitalizes follicular stem cells and scalp vasculature, improving blood flow and thickening hair for long-term reduction of thinning. Can be combined with adjunctive therapies.

price 7,000 thb / First Trial 4,000 thb

Platelet-Rich Plasma (PRP) Hair Restoration

Autologous PRP injections to naturally repair and stimulate hair follicles, reducing shedding and increasing density

price 9,500 thb / First Trial 6,500 thb / add on Vital Injector +2,000 thb

---

LED Hair Therapy

Low-level light therapy (LLLT) that activates follicular cells and growth-factor release, restoring follicular health for stronger, denser hair. Safe, virtually side-effect-free; 30-minute sessions, 1-2 times weekly; compatible with other treatments.

price 2,500 thb / First Trial 1,900 thb

SINCERE CLINIC

GENTLE YAG LASER HAIR REMOVAL MODE

Precisely targets hair follicles down to the root without damaging the surface skin; suitable for all body areas.
