- Tonight's football broadcast on the Whitney Wildcat Sports Network will be an **audio-only** broadcast on Facebook Live.
- For the second consecutive season and fourth season overall, Ryan Fox will serve as the play-by-play voice for Whitney Wildcat football.
- Kenney Heath also returns the booth for his second season as the analyst and color commentator for Whitney Wildcat Football.
- This year's production crew will feature full-student involvement, giving our kids hands-on experience in the world of sports and digital media, while enhancing the viewing experience for Wildcat Nation and TXHSFB fans alike.

MEET THE BROADCASTERS

RYAN FOX is a 2019 graduate of Whitney High School. Following graduation, Fox went on to attend Tarleton State University, where he majored in Sports Communications and worked as an intern for the Texan Sports Network internship program. While serving time as an intern, Fox gained hands-on experience in the world of collegiate sports media as the university transitioned from NCAA Division II to Division I. He took on numerous tasks such as camera operation, social media management, broadcast production, and sports reporting, along with both play-by-play and public address announcing. Following graduation from Tarleton in May of 2022, Fox worked as a radio producer for ESPN Central Texas, the flagship radio station for Baylor University Athletics. He produced the morning sports talk show, "Game Time" with Waco sports radio veterans, Tom Barfield and Ward Whites, and handled play-by-play duties for Waco University High School during the 2022 football season, a season in which the Trojans reached and won a playoff game for the first time since 2009.

Following his time at ESPN Central Texas, Fox landed an opportunity to serve as the Athletic Media & Communications Assistant at Lyon College, an NCAA Division III institution located in Batesville, Arkansas. During his time at Lyon, Fox assisted in all day-to-day operations in the college's athletic media department. He was the primary media contact for the baseball, volleyball, men's soccer, both men's and women's wrestling, and both men's and women's track & field teams, serving as a liaison between the college and the NCAA. Fox also served as the play-by-play voice for both Scots baseball and men's soccer, and as the primary NCAA statistician for Scots volleyball, women's soccer, and both men's and women's basketball.

Fox started the Whitney Wildcat Sports Network in August of 2021 during his senior year at Tarleton, providing an unprecedented online format for Wildcat fans to watch and listen to live coverage of Wildcat football. Fox broadcasted the entirety of the 2021 season, and the final two playoff games of the 2023 season. In July of 2025, Fox joined the Whitney High School faculty full-time, serving as a teacher along with being tasked to grow the Whitney Wildcat Sports Network's coverage of Wildcat Athletics. Today, Fox runs the Whitney Wildcat Sports Network social media pages and YouTube channel, designs graphics and game day programs, coordinates a group of enthusiastic student media workers, and proudly serves as the play-by-play voice for Whitney Wildcat Athletics.

KENNEY HEATH is a 1995 graduate of Whitney High School. He is a lifelong fan of Wildcat Athletics, and is ecstatic to be entering the booth to cover Wildcat Football for the second consecutive season. Outside of the booth, Heath is a devoted husband and father to his three children, two of which are Whitney HS alums. Heath also co-owns and operates the Lake Whitney Meat Company. Along with Fox, Heath co-hosts the Central Texas Football Podcast, part of the L4 Media Company podcast network. Heath and Fox have co-hosted the show, which highlights the top high school football players and teams from across the Super CenTex region of the state, since the 2022 season. 2026 marks the fifth year of the CTFP's coverage of high school football in Central Texas.

HEAD-TO-HEAD

WHITNEY LEADS SERIES 1-0

2023 ..... WHITNEY, 50-14

The lone matchup in the history of this series was during the 2023 season, and also took place in the Area Round of the UIL playoffs.

In the first half, the Wildcats and Eagles each battled valiantly on the defensive side of the ball, as the offenses scored a combined 16 points with Whitney leading 9-7 at the intermission.

A second half offensive onslaught from the Wildcats led by junior QB Mason Seely, senior WR Jairdyn Anderson, and sophomore RB Jontae Johnson helped them pull away for a 50-14 victory. The Wildcats outscored Tatum 41-7 in the second half.
