The Modern Health & Convenience Mart Built for Today's Lifestyle-Driven Consumer

Founded in 2021, iMed began with a simple mission: make healthcare products more accessible and convenient for every Filipino.

What started as a pharmacy solution during the pandemic has evolved into a modern health convenience mart that brings together healthcare, wellness, personal care, convenience items, and digital services under one roof.

Today, iMed continues to serve customers through both physical stores and multiple online platforms, creating a seamless shopping experience that fits modern lifestyles.

WHY CUSTOMERS CHOOSE iMed?

- ✓ Trusted healthcare products
- ✓ Everyday convenience essentials
- ✓ Wellness and beauty solutions
- ✓ Online and in-store accessibility
- ✓ A modern shopping experience

FOUR REVENUE STREAMS FROM A SINGLE STORE FOOTPRINT

PHARMACY
Full-range pharmaceutical counter offering branded and generic medicines, wellness supplements, vitamins, medical equipment, and baby and senior care essentials.

CONVENIENCE STORE
Everyday mart staples under one roof: healthy snacks, ready-to-drink beverages, popular sweets, household necessities, frozen goods and more.

HEALTH & BEAUTY
A curated beauty and self-care section featuring skincare, cosmetics, hair products, hygiene essentials, and grooming items sourced from both local and imported brands.

CAFÉ
Freshly brewed coffee, ready-to-eat meals, and grab-and-go snacks for customers on the move.

DESIGNED TO BE A DESTINATION

The iMed store concept is designed to create an experience that encourages customers to stay longer, explore more, and return often. Unlike traditional stores built purely for transactions, iMed combines healthcare, wellness, convenience, and lifestyle retail into a modern and welcoming environment.

Why Franchise iMed

PHARMACY • HEALTH & BEAUTY
CONVENIENCE STORE • CAFE

INNOVATIVE 4-IN-1 RETAIL CONCEPT
Pharmacy, personal care, convenience, and café — all under one roof. A modern alternative to traditional pharmacies that captures four customer needs in a single visit.

EXPANDED CUSTOMER REACH
Get customers via in-store and online. Your store goes live on various e-commerce platforms the moment you open.

MULTIPLE REVENUE STREAMS
Earn from four distinct product and service categories. Higher basket sizes through natural cross-selling, with a royalty-free structure on pharmaceutical products.

DESIGNED FOR LONG-TERM GROWTH
Positioned in the growing health, wellness, and convenience retail sector, with potential payback periods as fast as 3 years.*
