

Rental Bike Instructions

1. Download the Zybra Plus app from app store.
2. Create an account by entering your phone number and completing the two-step verification.
3. Enter your first and last name to build your profile, and provide your email address.
4. Activate your complimentary 2-hour rental by entering **JWMICOMP** in all caps as the promo code.

5. Add a payment method. The first two hours are free, and after that, your payment method will be charged.
6. Use bikes with a green light – they are ready for use.
7. Scan the QR code on the bike or manually enter the code found underneath code. Tap Add Ride to start.
8. Listen for click and remove bike. Select P to park the bike temporarily, and choose D to resume riding.
9. When finished, park the bike at designated rack and select End Ride in the app. Enjoy your ride!
