F&B Operations Charges

All food and beverage prices are subject to a Staff Service Charge, currently 25%. All gaming prices are subject to a House Service Charge, currently 25%.

The Staff Service Charge on food and beverage is distributed entirely to service personnel involved with the event. The House Service Charge is retained entirely by the Hotel and is used to cover the cost of equipment, heat, light, power, and other expenses related to hotel operations and costs of the event.

The Staff Service Charge and Gaming Service Charge are collectively referred to as "Service Charges." All prices, rates, and Service Charges are subject to applicable taxes in effect at the time of the event, currently 6%.
